FOCUS / REFLECTING ON MY CELEBRANT SELF

1. Everyone had a minute [or two] to introduce themselves and their 'celebrant self'.
2. As our monthly moment to: self reflect on celebrant practice to date / our part within the whole / welcome the newcomers and continue to develop our collective connection and community as we grow.

SUMMATION OF REFLECTIONS

- **THE VALUE IN CULTIVATING COMMUNITY** - Lauren - 'everyone is here for each other.' Rose Ann - 'offering each other a safety net.' Jackie - 'thank you for the welcomed and warm environment."
- **EMBOLDENING THREADS OF CONNECTION** between us and within us - what drew us here? Our backgrounds, our personal experiences, the importance of people and stories.
- **LED BY LOVE** - Caroline 'understanding the importance of love in this political time - a bit of love will go a long way.' Kate spoke to being led by her heart towards this work - the vocational quality of celebrancy is a shared sense within A Quiet Revolution.

NEXT MONTHS INVITATION - JAMES TO LEAD ON 'WHO AM I? WHO'S MY PERFECT CLIENT?'
